Join us for this fascinating study of the Four Books of Moses: "Israel hears the resounding truth that echoes down to us: 'Hear O Israel, the Lord our God, the Lord is One.' Through cycles of rebellion, discipline, and outright divine revelation, see how our Israelite predecessors were not that different from us and glean practical applications for your own life, beginning with 'and you shall love the Lord your God with all your heart, and with all your soul, and with all your might'."
